

## Sample Program of Study

All 10 nursing prerequisite courses must be completed prior to entry into the program. **The six (6) nursing prerequisite courses marked by (\*) must be completed and graded at the time of application.** General Biology and Statistics may be waived with an AP score of 5. It is **your** responsibility to submit updated information, i.e., grades, to ensure completion of information and subsequent review of your application. All prerequisite courses must have a **Grade of C or better**. Nursing prerequisites are in bold.
