**July 19, 2021**

## **Grant Award:**

Last week's College Kudos included **Dr. Caroline Stephens** receiving a \$25,000 grant for her project "*Care Trajectories of Utah Nursing Home Residents at the End of Life and of their Family Caregivers: A Population-based Pilot Study.*" The College of Nursing [Family Caregiving Collaborative](#) and the [University of Utah Center on Aging](#) awarded this grant.

## **Publication:**

Wilson JL, Hampton D, Hensley A, Culp-Roche A, **De Jong MJ, Chase-Cantarini S**, Wiggins AT. A multicenter study about resilience of nursing students and faculty in online courses. *J Prof Nurs.* 2021;37(5):894-899.  
<https://doi.org/10.1016/j.profnurs.2021.07.005>

### **Recognition:**

**Dr. Djin Tay** was selected for the [Hartford Institute for Geriatric Nursing's 2021 Interprofessional Summer Research Scholars Program](#), a week-long, intensive, summer seminar held virtually through the New York University Rory Meyers College of Nursing. This professional development opportunity features scientific discourse about each scholar's program of research, grantsmanship training, and in-depth mentoring from nationally recognized geriatric researchers.

### **University Service:**

**Dr. Lauri Linder** was elected to serve a 3-year term on the [University Research Committee](#).

### **In the Media:**

[The Scope Radio](#), from University of Utah Health, highlights expert health advice and research that people can use for a happier and healthier life. The Scope's mission is to educate, engage in, and lead the conversation on the latest research and trends in medicine. During an episode regarding the [7 Domains of Women's Health, Dr. Katie Ward presented about the evolution of personal grooming](#).
