

Visual/Audio Image Release Form

I grant permission to the University of Utah, its employees and agents, to use visual/audio images of me recorded during simulation sessions during the enrolled semester. Visual/audio images are any type of recording, including but not limited to photographs, digital images, drawings, renderings, voices, sounds, video recordings, audio clips or accompanying written descriptions. The University of Utah will not materially alter the original images.

I agree that the University of Utah owns the images and all rights related to them. The images may be used for scholarly, research, or promotional presentations and publications without notifying me, such as university-sponsored Web sites, publications, promotions, broadcasts, advertisements, posters and theater slides. I waive any right to inspect or approve the finished images or any printed or electronic matter that may be used with them, or to be compensated for them.

I release the University of Utah and its employees and agents, including any firm authorized to publish and/or distribute a finished product containing the images, from any claims, damages or liability which I may ever have in connection with the taking of use of the images or printed material used with the images.

I am at least 18 years of age and competent to sign this release. I have read this release before signing, I understand its contents, meaning and impact, and I freely accept the terms.
