**Professional Service:**

**Sherri Kerney** was appointed as a member of the Equity, Diversity, Inclusion, and Social Justice Committee for the **Association of Standardized Patient Educators** (ASPE). ASPE is the international organization of educators dedicated to human simulation. The mission of the committee is to promote social justice within educational and healthcare professions and institutions to address systemic social inequities and acknowledge dignity in others, and to provide a forum for the exchange of ideas that can impact social change within healthcare education and practice.
Professional Development:

Dr. ElLois Bailey completed an intensive, year-long Integrative Psychiatry Fellowship Program and passed an exam, demonstrating competency in program material. Integrative Psychiatric treatment focuses on resolving the root causes of mental illness with evidence-based natural and pharmaceutical interventions – including ketamine, nutritional, psychedelic, and lifestyle-behavioral interventions – to treat psychiatric conditions.

Event:

The Utah Simulation Coalition (USC) and the College of Nursing Simulation Center offered a Simulation Facilitator Course on July 14-15, 2023. The course provided opportunities for eight new simulation facilitators to learn and implement best practices, including how to build a simulation scenario, use simulation resources, practice psychological safety, and learn valuable skills in moulage and debriefing. Yvonne Bass, Lori Hanson, Kristy Gauthier (USC Secretary), and Dr. Ann Butt (USC President-Elect) planned the course, taught content, and facilitated simulation scenarios.

Community Collaboration:

Dr. Van Gip and Leslie Crandall served food at the Family Field and Staff Appreciation Day at the Urban Indian Center of Salt Lake.

Presentation:

The Natural History Museum of Utah (NHMU) is featuring Dr. Sara Bybee for its Scientist in the Spotlight: Social Scientist program on July 21. NHMU’s Scientist in the Spotlight program is held at the Museum twice a month. Local scientists share their research with museum visitors in an informal, open house format using conversation, pictures, microscopes, specimens, tools, hands-on activities, and demonstrations.

University Service:

Provost Mitzi Montoya appointed Dean Marla De Jong and Holly Godsey as Co-Chairs of the University of Utah Ad Hoc
Committee on Career-Line Faculty Matters. The committee will study and address various topics such as reappointment and promotion policies for Career-Line faculty – lecturer, clinical, and research, salary increases associated with academic promotion, workload policies, career advancement opportunities, and job security.

College Kudos will not be published on July 24, 2023.

Best Regards,

Marla
